## LETTER OF AUTHORIZATION

May 4th, 2026

**To donors, sponsors, members of the press, and the Las Vegas community:**

**Project 150 is honored to acknowledge and authorize The Bridge — a 19-day community service campaign organized by a cohort of 38 Las Vegas leaders — to conduct fundraising on Project 150's behalf from May 2, 2026 through May 21, 2026.**

**The Bridge aims to raise \$300,000 in support of Project 150's mission. With the campaign's matching donor in place, that effort is positioned to deliver up to \$600,000 of impact to the students we serve. Funds raised will be directed to:**

**Renovation of the bathrooms, boutique store, and core facilities** at Project 150's Brady Caipa Volunteer Center, where over 7,000 high school students each year walk in to receive free clothing, hygiene products, food, and school supplies — without paperwork or judgment.

**Experience gift cards and in-kind donations from businesses and theme parks.**

**Non-perishable items and resources for Family Meal Packs, Student Scholarship Fund, & Operating Capital**

**Auction items, store supplies, automobile donations, and other items**

All donations made through The Bridge campaign are received directly by Project 150. **100 percent of donations support Project 150's programs.** Project 150 issues tax-deductible receipts to every donor. Project 150 maintains five consecutive years of Candid Platinum Transparency, the highest rating Candid awards, and is 100 percent privately funded with zero government grants.

We are profoundly grateful to the 38 leaders of The Bridge for choosing to show up for the students of Southern Nevada in this way. The work they are doing — in the next 19 days, alongside our team — is exactly the kind of community partnership that has carried Project 150 for fifteen years.
